

Dear Parents,

The current members of the PTA would like to invite you to the Annual General Meeting (AGM), which is to be held on Monday 22nd April at 6pm. This is an opportunity to meet your PTA members and to see the success of our events from the past year.

This has been our first year running the PTA and we have held a wide variety of events and fundraising schemes. We are still learning and would welcome your feedback and ideas for this coming year. We have had requests for larger events, but without wider parent support, these are just not possible. We are aware that there is a period of change coming up with Mrs Warburtons departure but we are determined to continue running and raising funds for the school, so please come along and support us.

Due to personal circumstances some of the current named members of the committee are wishing to step down; as all positions are due to be elected at the AGM this is the perfect opportunity to come on-board and roles will be distributed as best fits the team moving forward. We cannot continue to run without 6 named persons on the committee, and having put so much effort into setting up and running over the past year, we urge you to come to this event to support the school and the PTA, to ensure we can continue the good work.

The positions and current volunteers are:

Chair - Amy Rudman

Vice Chair -

Treasurer - Becky Tomlins

Vice Treasurer - Kirsty Wilson

Secretary - Jess Woods

Communications - Martin Greenwood

It is not a huge commitment; we meet once a term over a drink at the Blunsdon House Hotel, to discuss coming events and distribute roles and responsibilities for each event. We understand that not all members can attend every event and we do well to support each other and plan minimum cover. Following these meetings a couple of us usually liaise with the school and coordinate events with those already in the school calendar.

We are a friendly and supportive bunch and would welcome some new faces to the team. We can't wait to see what the next year brings, so please come along and meet us!! If you cannot make the meeting and wish to express your interest in joining us, please email us at friendsofstleonardsschool@outlook.com.

Kind regards,

The Friends of St Leonard's Blunsdon
