

D/T

This term in Design and Technology Deer class will be researching, planning and making their own 3 course meals. They will then taste test their meals.

Writing

In English, we will be working with the story *Varmints* by Helen Ward. Deer class will be writing a narrative re-telling of the Varmints story with use dialogue to convey character and action in their story. Our SPaG focuses will include use of dashes, relative clause and parenthesis.

Mathematics

Our focus areas in Maths will be:

- Addition and subtraction of fractions
 - Comparing fractions
- Multiplication and division of fractions
 - Understanding percentages

These units of work will be taught alongside our increased SATs revision ready for our Mocks (23rd -25th March).

Reading

In our reading sessions we will be approaching lessons with a new focus on composition looking at a range of fiction, non-fiction and poetry.

Computing

We will be learning about how to gather data and effective ways to show information through programs like Spreadsheet.

Deer Class

Term 4

PE

Our focus in PE this term will be Handball and Fitness. Our PE days are Mondays and Tuesdays.

Science

We will be learning about looking after our environment this term. Focusing on the impact of pollution on our planet and the ways we can reduce impact.

Music

This term in Music, we will be using Charanga to create different compositions with use of further Glockenspiel practice continuing in from last term.

History

In History, we will begin our journey into the historical events of WW2. We will specifically focus on the different experiences at home and overseas within the war.

PSHE

This term in PSHE, we will be learning about how to keep ourselves healthy, exploring what helps our bodies and minds stay safe, strong and well.

RE

We will be exploring the idea of diversity within Christianity. Focusing on how Christianity is represented around the world and the different impact the religion has.
