

Writing

In English, we will be working with the story The Secret of Black Rock Joe Todd Stanton

New plot: Write the legend of Black Rock

News Broadcast about the danger of Black Rock

Y3/Y4

Focus: Extending sentences and creating flow

Use fronted adverbials followed by a comma.

Use prepositions to show place and movement.

Use the Power of 3 for description.

Maintain cohesion across paragraphs.

Develop atmosphere and action.

Reading

We know that good readers become good writers. It would be great to have your continued support with this by hearing your child read regularly at home with you. Please make sure you are changing your books and challenge yourself to different genres so you can become fluent readers.

Music

Fox class will continue to learn the Ukulele by specialist music teacher. The Year class will also practice compose songs.

RE

"Incarnation / God: What is the Trinity?"

Teaches pupils that Christians believe in one God who exists as three persons: God the Father, God the Son (Jesus), and the Holy Spirit

Mathematics

Calculation and conversion of measures
Comparing, ordering and rounding 4-digit numbers

Column addition and subtraction with 4-digit numbers

Informal and mental strategies for adding and subtracting two 3-digit numbers

Science

Eat Well, Move Well

What do animals including humans need to be healthy?

During this project, children learn how animals, including humans, survive and stay healthy. They compare the diets of carnivores, herbivores and omnivores, ask scientific questions and use research to spot patterns. Children discover what makes a balanced diet, learn the function of the human skeleton, and investigate how muscles work with the skeleton to help a person move. They carefully examine different skeleton types and use the terms 'vertebrate', 'invertebrate', 'endoskeleton' and 'exoskeleton'.

Fox Class

Term 2

Resilience, Curiosity, Ambition, Independence

PSHE

"Being Me in My World" is the opening Autumn unit for children in the Jigsaw PSHE curriculum. It helps children recognise their self-worth, set personal goals, understand rights and responsibilities, and explore how their choices and behaviour impact the school community.

Art/ Design and Technology

The Healthy Kitchen

During this project, children learn about what makes a healthy, balanced diet and why this is important. They explore different ways to prepare and cook food and learn how to follow recipes accurately.

CREATING MEDIA

Digital Music

PE

Our focus in PE this term will be Dance . Our PE day is Tuesday
