

Writing

In English, we will be working with the story *Mrs Noah's Pocket*

Outcomes: New story (sequel)

Mrs Noah's garden

Grammar Focus: Y3 -Use expanded noun phrases (e.g. the shimmering silver telescope).

Use fronted adverbials followed by a comma.

Include similes.

Write compound sentences using co-ordinating conjunctions (and, but, or, so, yet).

Y4

Use expanded noun phrases.

Use fronted adverbials.

Include similes.

Use nouns and pronouns effectively for cohesion and clarity.

Reading

We know that good readers become good writers. It would be great to have your continued support with this by hearing your child read regularly at home with you. Please make sure you are changing your books and challenge yourself to different genres so you can become fluent readers.

Mathematics

Year 3/4

Securing place value and to 100 and 1000 and applying it to addition and subtraction

Measuring length

Representing 3-digit number

Science

Mighty Magnets

Children will explore magnets and their uses, and what makes magnetic poles special, along with the idea that some forces such as magnetic force can act without contact – unlike pushes and pulls, which requires direct contact.

Fox Class

Term 1

**Resilience, Curiosity, Ambition,
Independence**

RE

The children will be exploring the theme – Philosophy (The Natural World) - and our BIG QUESTION “What does dharma teach about attitudes to the planet?”

PSHE

Difference introduces three formational habits that can shape how we navigate everyday relationships. Rooted in the wisdom of experienced peacemakers and inspired by Jesus' encounters in the New Testament, these habits equip and encourage children in a fractured and fragile world.

Art/ Design and Technology

Make simple spinners from cardboard discs with a cocktail stick or pencil pushed through their centres. Explore different materials to improve the spinners and trial them on different surfaces. Does the surface affect how long they spin? Which material produced the best spinner? Should the end of the shaft be sharp or blunt?

Music

Fox class will continue to learn the Ukulele by specialist music teacher. The Year class will also practice compose songs.

Computing

**Computing
Systems – The
internet**

PE

Our focus in PE this term will be Gymnastics. Our PE day is Monday
