11th February 2021

Dear Parent/Carer

As we reach the end of term 3, I would like to thank you again for all of your support with home learning. We know that you have all been juggling many things at home and recognise the pressures that this brings. We have continued to plan learning, that matches the level and expectations appropriate to your child's year group and we are really proud of how the children have adapted to this new way of working, with your help. It has been lovely to celebrate this on a Friday, together, at our celebration Zooms. Once again, we have found that we are living and learning together with God's help; a true reflection of our vision statement.

Term 4

Whilst we wait for further guidance from the government regarding the re-opening of schools, I wanted to reassure you that the current remote learning offer will remain after half term, until we are told that we can reopen schools to all children, safely. I will be in touch at the beginning of term regarding the dates that your child's class teacher will not be available for the three sessions, as they are in covering the critical worker provision. The daily catch up will still be held and the learning will be set on teams in the usual way. For the first week of term, Mrs Branscombe and Mr Hope will be in school on Monday 22nd Feb/ Tuesday 23rd Feb and Wednesday 24th Feb. Miss Jeffrey and Mrs Welch will be in school on Thursday 25th Feb and Friday 26th Feb.

Worship

The last of our worships this term, on our value of *Generosity* can be found on the website. We look forward to seeing you at the last Celebration Zoom of the term.

Half term

I hope you are able to take this opportunity to have a break from juggling learning and work commitments and for the children to have a rest from their screens.

Looking Forward

As soon as I know the government plans for the next stage, I will share how that will look at St Leonard's. We will continue to hold the best interests of the children at the forefront of what we do and we look forward to welcoming the children back to school as soon as we can.

Take Care and stay safe

Mrs Warburton
